The Government of the Republic of Malawi in conjunction with the Malawi Investment and Trade Centre (MITC) will hold the 2015 Malawi Investment Forum at the Bingu International Conference Centre (BICC) in Lilongwe, Malawi from 29th and 30th of June, 2015.

The Investment Forum will offer foreign and local investors, high level government officials and development partners an opportunity to discuss, on one to one basis, issues related to direct investments, joint ventures as well as Public-Private Partnerships (PPPs). The Forum will also offer a networking environment for 300 participants to discuss packaged investment opportunities and joint venture projects with Malawian companies.

The Malawi Investment Forum will focus on the following six sectors:-

1. Agriculture and Agro-processing
2. Tourism
3. Manufacturing
4. Energy
5. Infrastructure
6. Financial Services
